#### **SWEETWATER BREWING COMPANY**

SweetWater Brewing Company announced an expansion into Charleston this summer. Brewed in Atlanta, Georgia and circulated locally by Lee Distributors, SweetWater's brews are unpasteurized and only served in select Southeastern cities to ensure the freshest beers available and to keep all of the tasty flavors intact. Recently celebrating its 11th anniversary, the award-winning SweetWater Brewing Company continues to outpace the beer business and craft brewing industry. SweetWater maintains its position as one of the top 30 independent breweries in the country. The brewery offers west coast styles of aggressively-hopped ales with creative brands that include 420, Georgia Brown, Blue, IPA as well as Festive Ale, Hummer, Motor Boat, Road Trip and Happy Ending (seasonal). For more information about the brewery, expansion, partnership opportunities, photographs or for interviews, visit [www.SweetWaterBrew.com](http://www.SweetWaterBrew.com) or call Steve Farace at 404.691.2537.
